Don't you remember me darling? I'm the one whose  
heart you broke.  
Don't you remember me darling? I'm the one whose  
heart you broke.  
My love for you was real, but your love was just a joke.

[You the] Only one who loved you, you just kicked and  
knocked me around.  
Only one who loved you, you just kicked and knocked  
me around.  
'Cause the one thing about you, when you get tired of  
something, you always throw it down.

Yeah, right there â€¦ [spoken words - Lonnie Johnson]  
That's the feelin', that's the feelin', right there â€¦  
[spoken words - Lonnie Johnson]  
Yeas â€¦ [spoken words - Lonnie Johnson]  
Ah, yeah, take me down a little bit lower ... [spoken  
words - Lonnie Johnson]

You said you love me baby, I put all my faith in you.  
Yes, you said you love me baby, I put all my faith in  
you.  
But I found out too late baby, I was just another fool for  
you.
