You only want me when you're lonely.
You only want me when you're blue.
It's funny, you never seem to know me,
Whenever there's somebody new.

How can you say that you love me,
When you know your love for me isn't true?
So that's why you always call me when you're blue,
You know I'll come runnin' back to you.

How can you say that you love me,
When you know your love for me isn't true?
So that's why you always call me when you're blue,
You know I'll come runnin' back to you.
