I want you, and I need you, I did all I could to go
But darlin', if you love me, you won't let me go.

Your love is a true love, it never runs smooth, you
know?
But if you love is a true love, darlin', you won't let me
go.

And if you say that you don't love me,
I'm gonna walk out the door.
And I hope that you will stop me,
So I can hear you call me darlin', call me darlin' just
once more.

I love you, yes, I love you, with all my heart and soul.
But darlin', if you love me, you won't let me go.

If you say that you don't love me,
I'm gonna walk out the door.
And I hope that you will stop me,
So I can hear you call me darlin', call me darlin' just
once more.

I love you, yes, I love you, with all my heart and soul.
But darlin', if you love me, you won't let me go.
You won't let me go.
