Don't let no one, no one get you down
~Coz if they do, if they do, I'll be around
I want you here, standing near by my side
So my dear wipe those tears from your eyes

Don't you let nobody get you down
Don't you let nobody get you down

Don't let no one, no one get you down
~Coz if they do, if they do, I'll be around
I wanna see, you ~round me all the time
I want you to know that I am yours and you are mine

Don't you let nobody get you down
Don't you let nobody get you down
Don't you let nobody get you down
Don't you let nobody get you down

Don't you let nobody get you down
Don't you let nobody get you down
Don't you let nobody get you down
Don't you let nobody get you down

Don't you let nobody get you down
Don't you let nobody get you down
Don't you let nobody get you down
