Tell me, brother, how do you feel  
When that pretty little girl over there ain't for real?  
Tell me, sister, how do you feel  
When that dandy haired brother ain't for real?

You gotta get down, down  
Down, down, down, down  
You gotta get down, down  
Down, down, down, down

Tell me, people, how do you feel  
When the president and the secretaries ain't real?  
Tell me, people, what you'd do  
If the runnin' of the world is all left up to you?

You gotta get down, down  
Down, down, down, down  
You gotta get down, down  
Down, down, down, down

Early in the mornin'  
Before you eat your breakfast  
You gotta get down, you gotta get down  
Early in the mornin'  
Before you eat your breakfast  
You gotta get down

The Supercool is your pleasure  
And you wanna find somethin' better  
You gotta get down  
Supercool is your pleasure  
Wanna find somethin' better  
You gotta get down

[Incomprehensible]  
[Incomprehensible]  
You gotta get down  
Police and the Justice  
Laughin' while they bust us  
You gotta get down

If you're running the country

Then you ain't runnin' it funky  
You gotta get down, you gotta get down  
If you're running the country  
You ain't runnin' funky  
You gotta get down

You gotta get down, down, down, down  
Down, down, down, down, down  
You gotta get down, down, down, down  
Down, down, down, down, down

Down, down, down, down  
Down, down, down, down, down  
Down, down, down, down  
Down, down, down
