I see a red door and I want it painted black  
No colors anymore, I want them to turn black  
I see the girls walk by dressed in their summer clothes  
I have to turn my head until my darkness goes, oh

I see a line of cars and they're all painted black  
With flowers and my love, both never to come back  
I see people turn their heads and quickly look away  
Like a new born baby it just happens every day

No more will my green sea go turn a deeper blue  
I could not foresee this thing happening to you  
If I look hard enough into the settin' sun  
My love will laugh with me before the morning comes

Painted black, black as night, black as coal  
I don't want to see the sun, no flyin'  
high in the sky  
I wanna see it black  
I wanna see it painted, painted, painted black  
I am not afraid  
I, I, I wanna see it painted black as [Inaudible]
