You know it's coming,
the earth shakes!
You hear us knocking like hell at the gates!
You cannot help it, you let go!
You raise your fist and your head starts to blow!

I'm the last who is marching
to this group of meat,
The living dead dancing out in the streets!

It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
Oooh, yeah! Ou! Hoo!

Their skin headsbanging,
some get loose,
rocking and rolling in red drawing noose,
fists pounding, dead feet topped!
Rock on them to the ????????

I'm the last who is marching
to this group of meat,
The living dead dancing out in the streets!

It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
Hmm, it's the ZombieRawkMachine!
(Yeah, yeah!)
Hey! It's the ZombieRawkMachine!
(Yeah, yeah!)
Ooooh, yeah!

Ooooooh!

It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
Oh yeah! It's the ZombieRawkMachine!
(Yeah, yeah!)
Hey! It's the ZombieRawkMachine!
(Yeah, yeah!)
Yeah, yeah, yeah, yeah, yeah!!

It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
Yeah!
It's the ZombieRawkMachine!
(Yeah, yeah!)
It's the ZombieRawkMachine!
(Yeah, yeah!)
Wooooooooooooooooooooow!
