Memories are just where you laid them
Drag the waters 'till the depths give up their dead
What did you expect to find?
Was there something you left behind?
Don't you remember anything I said when I said

Don't fall away, and leave me to myself
Don't fall away and leave love bleeding
In my hands, in my hands again
Leave love bleeding
In my hands, in my hands
Love lies bleeding

And I wanted
You turned away
You don't remember, but I do
You never even tried

Don't fall away and leave me to myself
Don't fall away and leave love bleeding
In my hands, in my hands again
Yeah, Yeah, Yeaah
