I was blown away
What could I say
It all seemed to make sense.
You've taken away everything
That I can't do without.

I try to see the good in life.
But good things in life are hard to find.
I'll blow it away, blow it away
Can we make this something good?

(Well I'll try to do it right this time around)
Let's start over,
I'll try to do it right this time around
It's not over
Cause a part of me is dead and in the ground.
This love is killing me
But you're the only one
It's not over.

I've taken all I can take
And I cannot wait
We've wasted too much time
Being strong and holding on
Can't let it bring us down

My life with you means everything
So I won't give up that easily
I'll blow it away, blow it away
Can we make this something good?

Cause it's all misunderstood

(Well I'll try to do it right this time around)
Let's start over,
I'll try to do it right this time around
It's not over
Cause a part of me is dead and in the ground.
This love is killing me
But you're the only one
It's not over.

We can't let this get away
Let it out, let it out
Don't get caught up in yourself
Let it out.

Let's start over
We'll try to do it right this time around
It's not over
Cause a part of me is dead and in the ground.
This love is killing me
But you're the only one
It's not over.

Lets start over
It's not over

Yeah yeah
This love is killing me
But you're the only one
It's not over
