Suddenly love comes in and finds me on open ground,
Nowhere to hide, nowhere to run, there's no turning
back,
And a journey has just begun;

Suddenly love breaks down the doors,
There is singing inside,
And all of the light that's in your eyes, shining here
tonight,
Has woken the man in me, and the woman in you,
The woman in you;

All night, heads on the pillow, and eyes that are never
shut,
All night, rain on the window, but inside, we have so
much;

Suddenly love takes me away where I've never been,
Shows me a world I have never seen, I could only
dream,
That I ever would find myself with a lover like you,
A lover like you;

All night, heads on the pillow, and eyes that are never
shut,
All night, body to body, and thrilling to every touch;

Oh, suddenly love takes me away where I've never
been,
It shows me a world I have never seen, and I just want
to be,
Alone in your mystery, love me over and over, and over
and over again.
