I'm not sure if this'll come out right
I've been playin it over and over in my mind
So just in case you want to know
Exactly how I feel well here it goes

Chorus:

I'm sure that my heart pounds
A little faster when you're near
And I'm positive that I would go crazy
Without you here
There's no doubt in my mind

Am I sure that I'm in love
Well baby I'm sure enough
I'm sure enough
I don't claim to know everything
Your guess is good as mine what tomorrow will bring
One thing's clear and it stands above
I want to be with you, yeah I'm sure enough
CHORUS(x2)
