I've seen that look a million times before
It says she ain't no stranger to a closing door
And she can't hide what lies inside

She's got the kind of heart that breaks
Easy does it for goodness sake
One tear away from a big mistake
She's got the kind of heart that breaks...
...My heart

One kiss, one night,
Is gonna be too much
One time, no way,
Well I'm finished if we touch
And I'm just a man better go while I can
She's got the kind of heart that breaks
Easy does it for goodness sake
One tear away from a big mistake
She's got the kind of heart that breaks...
...My heart

No she can't hide what lies inside

She's got the kind of heart that breaks
Easy does it for goodness sake
One tear away from a big mistake
She's got the kind of heart that breaks...
...My heart
