Written by Chris de Burgh

There are those who think that love comes with a  
lifetime guarantee,  
But we know from those around us, that this may not  
always be,  
It's the simple things that come between a father and a  
son,  
But when they try to talk, the knives are out before they  
have begun;

Well that was me, and I have seen the light that shines  
for eternity,  
Because I learned to say the words "I love you;"

So many hearts have been broken by the lies of history,  
And so many arms are still open for that final mystery;  
We must show respect for all the rest, and what a man  
believes,  
And the one who died upon the cross, well he is the one  
for me,  
And he said "Come with me and you will see the light  
that shines  
For eternity, be strong and learn to say the words "I  
love you;"

And this endless road that we are on just keeps on  
going round,  
But there's one destination that always is here to be  
found;

So come with me, and you will see the light that shines  
for eternity,  
Be strong and learn to say the words "I love you,"  
Be strong and learn to say the words "I love you," the  
words "I love you,"  
The words "I love you," the words "I love you."
