This town has got the best of me
We could sail away just you and me
Cos we got what we have always wanted from here.

Cos this boat won't float
Your friend ship is sinking
This ship is sinking
This boat won't float, because we...

Give it up, we give give it up
Just to take it down.

This town has got the best of us
When we sailed away we lost our trust
Did we get what we have always wanted from here?

Cos this boat won't float
Your friend ship is sinking
This ship is sinking
This boat won't float, because we...

Give it up, we give give it up
Just to take it down.

Sail away, on what's on your mind
Just sail away, on what's on your mind
Just sail away, just sail away

Sail away, on what's on your mind
Just sail away...
What's on your mind? what's on your mind?

This hope won't go
We continue the drinking as this ship is sinking
This hope won't go without me calling mayday

Give it up, we give give it up
Just to take it down

Keep on calling sleep can wait 'til morning
And a storm is coming, that's if we're still here.
