And you see the problem starts with unadulterated
parts that seemed so new before.
Can't you see that I can't stand to be pushed back
again so you can hang, hang out.

You're to blame cause I'm not gonna ask myself.

Now that I have been had our deadlines have all gone
bad,
And we're too late for fame.
Too used to get up sitting with ducks and luck I can't
speak.

We're too late, cause I'm not gonna ask myself.

I'm too weak cause I'm not gonna ask myself.
