Fighting sounds fun.. but enemies, please, that's messy

No one wants a conflict, but were hundreds strong and we wont --

Be stopped till

Fuck I don't know, Fuck i forgot

But this fight stance makes my ass look good

And i like that shit

LIBERATE!

Pump your fist in the air if you're an idiot

Down with bad stuff

Its just like punching only you don't have to hit anyone

And you'll feel so tough!

I read big books about small things and other... stuff No one wants a conflict, cause we're hundreds strong and we wont --Be stopped till

Fuck i don't know, fuck i forgot

But this fight stance makes my ass look good

And i like that shit

LIBERATE
