Caught a fever
Out on the avenue it
Found me easy.

What a deceiver
Hopped up on pheromones
But now delivery.

(Chorus)
So give me something
Something to fight
Give me something
I can't pretend to fight the
It's eating me alive
See me something
And this fever will be gone.

Take it easy
You're a stranger but
You're not so strange to me

Parties laughing
What I circled around you
Keep your bones clean

(Chorus)
So give me something
Something to fight
Give me something
I can't pretend to fight the
It's eating me alive
See me something
And this fever will be gone

Caught a fever
Out on the avenue it
Found me easy.

I'm a deceiver
Fucked up on pheromones
But I'll deliver
Oh my babe

Something to fight
Give me something I can't pretend to fight the it's
eating me alive
Tickle my spine and this fever will be gone...

Yeah this fever will be gone
Yeah this fever will be gone
