The hand is on and I'm on top
Made my quads when we were dealt the flop.
And no one, no one can beat this hand
I'm at the wheel and I'm in command
Now that everything is going my way
Can't be bluffed I'm here to stay
You don't know that you're drawing dead
So call this bet and I'll be the way ahead.

I'm all aces and I can't lose
Call or fold now it's time to choose
And you know which way I'm gonna go
And I'm all aces.

It's a monster hand if you want to fall
So push in your chips and call, baby, call.
Slow your roll dealer, man, what's the rush?
Give him time to pray for that royal flush.

I'm all aces - read 'em and weep baby.

I won't be afraid to take my shot.
And push 'em in like it's the last I've got.
Won't be unsure about how much I gave.
Won't take my regrets into my grave.
