It's like, word up, and it sounds so nice
Hip-Hop, you the love of my life (of my life)

[Black Thought]

The anticipation arose as time froze
I stared off the stage with my eyes closed and dove
into the deep cosmos
The impact pushed back, the first five rows
But before the raw live shows
I remember I'se a little snot-nosed
Rockin Gazelle, goggles and Izod clothes
Learnin the ropes of ghetto survival
Peepin out the situation I had to slide through
Had to watch my back my front plus my sides too
When it came to gettin mine I ain't tryin, to argue
Sometimes I wouldn'ta made it if it wasn't for you
Hip-Hop, you the love of my life and that's true
When I was handlin the shit I had to do
It was all for you, from the door for you
Speak through you, gettin paper on tour for you
From the start, Thought was down by law for you
Used to hit up every corner store wall for you
We ripped shit, and kept it hardcore for you
I remember late nights, steady rockin the mic
Hip-Hop, you the love of my life

So tell the people like that y'all (that y'all)

And it sounds so nice
Hip-Hop, you the love of my life
We bout to take it to the top..

[Common]

Yo, yo I was speakin, to my guy 'Riq and
How she was desperately seekin to Organize in a
Konfusion
Usin, no protection, told H.E.R. on _Resurrection_
Caught in the Hype Williams, and lost H.E.R. direction
Gettin eight/ate in sections where I wouldn't eat H.E.R.
An under the counter love, so _Silent_-ly I _Treat_ H.E.R.
Her Daddy'll beat H.E.R., eyes all Puff-ed
In the mix on tape, niggaz had her in the buff
When we touch, it was more than just a fuck
The Police, in her I found peace (like who?)
Like Malcolm in the East
Seen H.E.R. on the streets of New York, trickin off
Tried to make a hit with H.E.R. but my dick went soft
Movin weight, losin weight, not picky - with who she
choose to date
To confuse the hate, with her struggle I relate
Close to thirty, most of the niggaz she know is dirty
Havin more babies than Lauryn, she started showin
early
As of late I realized, that this is H.E.R. fate
Or destiny that brings the best of me
It's like God is testin me
In _Retrospect_ I see she brought _Life_ and death to
me
Peace to us collectively, live and direct when we
perform
It's just coffee shop chicks and white dudes
Over H.E.R. I got into it with that nigga Ice Cube
Now the fight moved to in life, makin the right moves
Besides God and family, you my life's jewel
Like that y'all
Hip-Hop.. *echoes*

[whispered]

Take it to the top, what? Hip-Hop (hip-hip)
To the top, hip-hop (hip-hop) check it out

[Black Thought - louder]

It's like, word up, and it sounds nice
Hip-Hop, you the love of my life, what?
Bout to take you to the to the to the
To the to the to the to the
To the to the to the to the
To the to the to the to the, yo
Fifth Dynamite, and it sounds so nice

Hip-Hop, you the love of my life

Hip-Hop, word up, to the top (to the top)

Hey, cause you the love of my life
