When I Think Of You

Artist : Chris De Burgh

There is something on my mind,  
and I'm losing concentration

And I feel it everytime,  
that you are near me.

I could tell you all about,  
your picture at my bedside,  
I should call you sometime,  
and talk it over.

Cos I get a kick inside,  
and I feel a tingle too,  
It just comes from time to time,  
And it only happens,  
When I think of You,

sleeping,  
when I'm dreaming, when I wake up, when I think of  
you,

walking,

when I'm talking,

when I look up,

when I think of You,

take me away to a land of mass confusion,

And I don't know what to say,

when I am near you,

I could stand here all day long,

just staring at your window,

But I have so much to do,

that's so important,

Then I get a kick inside, and I feel a tingle too,

It just comes from time to time,

And it only happens,

When I think of You,

sleeping,

when I'm dreaming, when I wake up,

When I think of you,

walking,

when I'm talking, when I look up,

when I think of You

may get the feeling that I'm dancing on the ceiling,

When I get a kick inside, and my head is spinning too,

It just comes from time to time,

And it only happens  
When I think of You,  
sleeping,  
when I'm dreaming, when I wake up,  
When I think of you,  
when I whisper to your picture, when I kiss it, when I  
think of you  
When I think of you, when I'm dreaming we're together,  
on my sofa,  
When I think of you, when I'm wishing that we're  
kissing, when we're dancing,  
When I think of you.
