Here's somethin' I just have to say  
When tyhe guys have a girl he's happy  
And so is the girls  
But then he dump her  
And he feels cool

But now it's over  
Girls, we have to do somethin'  
We have to show 'em what real love is

GIRL POWER  
Girl Power is what we have to show  
Our Girl Power  
Teach them up  
'Couse we want a real love

They can even have three girls  
Just 'couse they need to have sex  
If we do the same  
They call us whores

But it's over now  
Girls, we have to do somethin'  
Show 'em what real love is

GIRL POWER  
Girl Power is what we have to show  
Our Girl Power  
Teach them up  
'Couse we want real love (x2)
