Bug rain,  
Listen to all the bugs rain  
Rain on the van, and watch James  
Trying to stay awake.  
We're shaking,  
Just as the storm is breaking,  
And James is hallucinating  
Trying to stay awake.  
In the rain and the rain and the rain and the rain,  
Rain and the rain and the rain and the rain,  
Rain and the rain and the rain and all the  
Bug Rain.  
We know  
We're two hundred miles from Fargo,  
And we tune into the radio  
Trying to stay awake.  
Yawning  
Through the tornado warning,  
Driving towards the morning,  
Trying to stay awake.  
In the rain and the rain and the rain and the rain,  
Rain and the rain and the rain and the rain,  
Rain and the rain and the rain and all the  
Bug Rain.  
In the rain and the rain and the rain and the rain,  
The rain and the rain and the rain and the rain,  
The rain and the rain and the rain and all the  
Bug Rain.
