I'm all city like graffiti, better yet all country/
 'bout to go all planet if it goes the way I planned it/
 Fanatic fan addict but a man at it/
 Looptroop's a sickness now we're lettin' Japan have it/
 Givin' a bad habit no matter who distributes/
 no matter what record label I gotta spit the truth/
 The illest troop you can't keep a good sound down/
 in Tokyo my shit is heard around town/
 I'm screamin' on emcees: unless you drop gems
 please/
 shut the fuck up, hand over your benz' keys/
 The way I see things in Europe, nobody's fuckin' with
 this/
 and in the states, well I don't really wanna dis/
 But some rappers take hip hop for granted/
 watch me run up in their spot like moe and mike
 mechanic/
 Panic! When my rhymes cross the atlantic/
 then cross the pacific if it goes the way I planned it/
 Fanatic fan addict but a man at it/
 Looptroop's a sickness now we lettin' Japan have it!/

Chorus:

You diggin' me man: Looptroop big in Japan/
 kick the real shit and get 3 million fans/
 World supremacy/ p-r-o-m-o-e/
 I said you diggin' me man Looptroop is big in Japan/
 spit that rah rah shit and get 6 million fans/
 World supremacy/ s-u-p-r-e-m-e/

Supreme:

Hell yeah this be Supreme from the Looptroop singers/
 known for hit singles and stiff middle fingers/
 Just ring us, then bring us for the time of your life/
 we'll forever be a part of your life cus of your two
 timing wife/
 Tout le monde we world wide/
 your fan base is your man's place they thought your
 tape was aight/
 Since you ain't nothing in the streets you pose to be a
 club thug/

all hyped up but never really done shit like that
millennium bug/
Cos of the drugs, sex and alcohol/
I'm in this to rip the clubs, decks and microphones/
In Tokyo and former Russia/
informers rush the set cus of we hollerin' anarchy like
Busta/
And cuss the downpressor men from the top of my
lungs/
till they start makin' sense and be droppin' their guns/
Once my crew gets to speak out they freak out/
this ain't supposed to leak out we ain't supposed to
sneak out/
The back door with black dough, Looptroop is like
WHOA/
conquerin' the world in two triple O's/
so: do panic, that bull shit can it/
my crew's a sickness and now we lettin' Japan have it/

Chorus:

You diggin' me man Looptroop is big in Japan/
teach the youths the truth and get 10 million fans/
World supremacy/ Cos to the m-i-c/

Cosmic:

It's the DVSG entrepreneurs/
cruisin' thru the underground systems to the Japanese
sewers/
Nobody boo us they more like: sayonara/
glad you came, it's the bomb! aight peace we feel
honored/
We stand as one build as one swarm/
and travel to the other side of the planet to perform/
I look to the east (why?) yo do I even have to mention it/
this western world got us trapped in censorship/
Cus everything that I say is political/
and everything that I write makes me a suspected
criminal/
Subliminal adertising behind enemy lines/
you'll find the message between the lines when you
rewind/
dlrow eht reuqnoc srekcoR poortpool/
Iriws ot eunitnoc lliw srekcoR poortpool/
starting point right here we just landed/
Looptroop's the illest virus now we're lettin' Japan have
it/

Chorus:

Diggin' me man: Looptroop big in Japan/
building a plan to get millions of fans/
Blao blao bo bo bo/ Supreme, Cosmic, Embee and
