Jag vill plocka hela jÅvla landet, naturliga
rÅlvarbandet
PÅ nya tillslag, skapar drag, vinner slag
VÅssar mina blad, hÅller gard i Stockholms stad
KÅr pÅ med samma stil, rockar samma stil
Samma smil, samma blick, samma skick, samma trick
SÅ fuck alla andra, jag gÅr allt fÅr min klick
Komplicerad independent versus storbolags hiphop
Helt bakvÅnt som KrissKross, Petter rankas tiptop
Paradoxalt kan tÅnkas, men dÅngor kommer
sÅnkas
och dom som snackar skit dom kommer drÅnkas
Det År sÅ det gÅr till, vi slÅr till, jag fÅr till
prylar jag vill gÅra e stilar jag vill kÅra
ey Petter pÅ rÅda, precis vad dom vill hÅra
och nÅr Petter gÅr pÅ scen, bara se men inte rÅra
ey som Chepe & Sallas hundar, jag hugger nÅr du
blundar
Petter i Redline Studios med Loop Troop fÅr dom som
undrar

We've got the
Top of the Underground
Top of the Mainstream
We rule them both and everything in between
Loop Troop terrorister
Petter pÅ topplistor
Redline Records tÅcker hela registret
We've got the
Top of the Underground
Top of the Mainstream
We rule them both and everything in between
Loop Troop terrorister
Petter pÅ topplistor

This nice dread's the hottest thing out since sliced
bread
Why is dead rappers acting like they're some wise
heads
Give disguise, spread the weed on your way
What, are you still here fool? You didn't hear what I
said?

I said, escort that wack flow out the back door
Catch a bottle from the crowd and lose teeth like a
crackho
Tobacco poster boy with no breath control
Why so many wack rappers, Ya ain't heard of birth
control?
I search the globe for worthy competition
and found nobody even worth to be dissin'
in this overpopulated rapindustry
I'm the one cutting the branches off, to save the tree
Some are leafes but I and I are the roots ("I and I"
betyder "vi")
In the underground trying guidin' the youths
With the top to the bottom like Hocus from Topp Doggz
Running the redline to give cops jobs

We've got the
Top of the Underground
Top of the Mainstream
We rule them both and everything in between
Loop Troop alkoholister
Petter pÅ¥ topplistor
Redline Records tÅcker hela registret

Loop Troop pÅ¥ rÅda
FrÅn sÅder om sÅdra
Ni som lÅcker ska fÅrblÅda
Huven vi ska fÅrbrÅdra
Hungern jag ska dÅva
Dom som blundar jag ska blÅnda
Dom som slocknar vi ska tÅnda
Ni vet vinden kan vÅnda
och jag skiter i vad ni pratar om
allt ni tjatar om
Ryktena vem startar dom
och hatarna jag hatar dom
co År shit vi kapar dom
Rubriker vi skapar dom
Loop Troop & Petter
MCs vi ratar dom
Ingen kommer sakna dom
Noll koll pÅ vad dom gapar om
Retoriskt invalida
som Ringholm
