Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
Don't laugh at me it's making me cry
I know I shouldn't care about it (bout it, bout it...)

Everyday in school was a war
Judged
And hature was a law
From the benches to trenches to the corridors
First year I ran the gauntlet
Second year you're the one we taunted
Third year they laughed and pointed
And they never said none but I swear I wanted

Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside

I found so many answers but I still have some
questions
My feet are feelin tired but my legs they are restless
I'm eatin and I'm chewin but I just can't digest it
I'm playin round with things I know I just shouldn't mess
with
Situations gettin thin still I keep stretchin out
In hopes of one day landin in some place
Where I can pump my hat and I can deal with the
money
I hit so many bumps my shockobsorbers they must be
enormous
Every chance I get I floor it
Still I'm movin like?
Shit is gettin too retarded
Harder to breath, I know it's gonna work out
But maybe I'm just beeing naive

Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside

Sometimes she's so naive gets upset about everyday
stuff
I say that's the way of the world, believe me I'm callin
the bluff
But I'm gettin old, I feel ready, you still got heart and I
love it
Feels like my vision is faded, choked by the biz in the
budget
And I don't wanna be bit over thirty you know
Holdin on's way better than lettin it go
And it seems way better just lettin you know
Aint no inspiration bigger than this any more

Let me be who I wanna be
Let me be who I am, let me be naive
Let me be who I wanna be
Let me be who I am, let me be naive

Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside

Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside

Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
Don't laugh at me it's making me cry
I know I shouldn't care about it but it hurts me inside
