From Timing Is Everything
by Chris de Burgh

Year Released: 2002

Playing Time: 3:27

So many hearts, so many years, so many people in this
vale of tears,
But there is one you will meet again, in this endless
duet of the dance,
Then the carriages come and the ladies descend with
their dreams,
With the gloves and the mask, nothing is here what it
seems;

One touch is all it takes, two hearts will meet again,
I will know you tonight when I see you at the Bal
MasquÃ©,
One touch is all it takes, two hearts will celebrate,
In the heat of the night, when I see you at the Bal
MasquÃ©;

Another face from another time, another place in
another life,
Behind the mask is an open door to the someone that
you've been before,

Then the music begins, and the colours are starting to
change,
She comes in from the garden, I know that it's her right
away;

One touch is all it takes, two hearts will meet again,
I will know you tonight when I see you at the Bal
MasquÃ©,
One touch is all it takes, two hearts will celebrate,
In the heat of the night, when I see you at the Bal
MasquÃ©,
At the Bal MasquÃ©, at the Bal
MasquÃ©, at the Bal MasquÃ©,
At the Bal MasquÃ©, at the Bal

MasquÃƒfÃƒfÃƒ,Â©, at the Bal MasquÃƒfÃƒfÃƒ,Â©,
So many hearts, so many years,
Another face from another time,
Another face in another life, at the Bal
MasquÃƒfÃƒfÃƒ,Â©,
So many hearts, so many years.
