I'm standing in the station  
I am waiting for a train  
To take me to the border  
And my loved one far away  
I watched a bunch of soldiers heading for the war  
I could hardly even bear to see them go

Rolling through the countryside  
Tears are in my eyes  
We're coming to the borderline  
I'm ready with my lies  
And in the early morning rain, I see her there  
And I know I'll have to say goodbye again

And it's breaking my heart, I know what I must do  
I hear my country call me, but I want to be with you  
I'm taking my side, one of us will lose  
Don't let go, I want to know  
That you will wait for me until the day  
There's no borderline, no borderline

Walking past the border guards  
Reaching for her hand  
Showing no emotion  
I want to break into a run  
But these are only boys, and I will never know  
How men can see the wisdom in a war

And it's breaking my heart, I know what I must do  
I hear my country call me, but I want to be with you  
I'm taking my side, one of us will lose  
Don't let go, I want to know  
That you will wait for me until the day  
There's no borderline, no borderline  
No borderline, no borderline
