Oh, my heart is spinning like a wheel
Only she can see the way that I feel
Eyes are holding right across the room
High explosion coming out of the blue

Well here we go again
Living in a world that others cannot share
Yeah, here we go again
We are moving from a spark to a flame

I am high on emotion, high again
High on emotion, your love will find the way
Hey!

Oh, my heart is burning like a fire
Closer now and she is breathing desire
Take my hand and give it all your light
Take command I am your rhythm tonight

Well here we go again
Living in a world that others cannot share
Yeah, here we go again
We are moving from a spark to a flame

I am high on emotion, high again
High on emotion, your love will find the way

Give it a limit to light up

I am high on emotion, high again
High on emotion, your love will find the way
High on emotion, high again
High on emotion, your love will find the way
Go!

High on emotion, high again
High on emotion, high again
Give it a limit now
High on emotion, high again
High on emotion, high again
High on emotion, high
