The night is so wild  
Downstairs the child is sleeping, her spirit is free  
For more than an hour I have walked in the rain  
I've been wondering what she will be

But where are the heroes, where are the dreams that I  
had  
When I was young?  
Am I hoping in vain, just to think she could change  
anything?  
Well I'm counting on you

I'm counting on you  
To bring that sweet gentleness to your world and all  
that you do  
My generation is losing its way, we don't know what  
we're leaving for you  
So may there be millions who feel like you do, oh my  
love

There is so much to know  
There is so far to go  
But you are not alone  
When this is your world and I'm counting on you

Come to me, turn to me  
Give me your eyes when you see  
The mysteries of time  
Here there are those who just live in the past, they will  
never let history lie

And this sad little island is breaking my heart with its  
dark  
Shades of green  
And as hard as I try I just cannot see why this should be  
Ohh, I'm counting on you

There is so much to know  
(Much to know)  
There is so far to go  
(Far to go)  
But you are not alone

(Not alone)  
When this is your world and I'm counting on you  
(You)  
I'm counting on you  
(You)  
I'm counting on you  
(You)  
Ohh ohh
