When I'm lying in the arms of the woman I love
I'm completely at peace with the world
And the dark clouds around me that often surround me
Just fall away into the night, I'm not scared anymore

When I can't sleep at night and I just stare at the moon
Listening to your beating heart
To know that you're with me and the love that you give
me
Keeps me from falling apart, I'm not scared anymore

You are near, you are here

When I think about the ways of the other world
And all the ones who've gone before
Well, I believe they can see us, believe they are with us
Hear every word that we speak, I'm not scared
anymore

They can hear every word that we say
When I have my lover with me
I'm not scared anymore
I'm not scared anymore

When I'm looking at my children and the world where
we live
And the violence coming every day
Well, I know I'll protect them with the power of my love
To the very last drop of my blood, I'm not scared
anymore

Can you hear me? I am near
Can you see me? I am here

When I'm lying in the arms of the woman I love
I'm completely at peace with the world
I'm not scared anymore, I'm not scared anymore
I'm not scared anymore
