There are those who think that love comes with a  
lifetime guarantee,  
But we know from those around us, that this may not  
always be,  
It's the simple things that come between a father and a  
son,  
But when they try to talk, the knives are out before they  
have begun;

Well that was me, and I have seen the light that shines  
for eternity,  
Because I learned to say the words "I love you;

Arian [ In persian ] :

And this endless road that we are on just keeps on  
going round,  
But there's one destination that always is here to be  
found

So come with me ( To Ham Bia ), and you will see ( To
