There are those who think that love comes with a
lifetime guarantee,
But we know from those around us, that this may not
always be,
It's the simple things that come between a father and a
son,
But when they try to talk, the knives are out before they
have begun;

Well that was me, and I have seen the light that shines
for eternity,
Because I learned to say the words "I love you";

Chris De Burgh :
And this endless road that we are on just keeps on
going round,
But there's one destination that always is here to be
found

So come with me (To Ham Bia), and you will see (To
Ham Bebin) the light that shines for eternity ,
Be strong and learn to say the words "I love you," ,
Faryad Bezan , bego : " Dooset Daram "
The words "I love you, (Dooset Daram)" the words "I
love you."
