Waiting at the water's edge,  
Watching all the ships as they are heading for the  
harbour wall,  
I was just a boy, I was just a boy,  
Dreaming of the wide world, dreaming of the wide  
world;

Watching as they disapper,  
Reading out the names of all the places I hav never  
been,  
Looking out to sea, staring out to sea,  
Dreaming of a wide world, dreaming of the wide world,

I wish I was sailing away, sailing away,  
Sailing away, with you tonight, with you tonight;

Walking down another street,  
Underneath the red light, I am watching where the  
shadows fall,  
Looking at the girls, listening to the girls,  
Dreaming of a new world, dreaming of that new world,

I wish I was sailing away, sailing away,  
Sailing away, in your arms tonight,  
In your arms tonight;

I wish I was sailing away, sailing away,  
Sailing away, with you now, with you now...
