Ship to shore, do you read me anymore?
This line is bad and fadin'
Ship to shore, answer my call
Send me a signal, a beacon to bring me home

I have been to see the world, tasted life at every turn
And all the time your face came back to haunt me
Day by day the feelin' grew, I know I'm still in love with
you
The further that I go the more I know it, I wanna show it

Ship to shore, do you read me anymore?
This line is bad, and fadin'
Ship to shore, answer my call
Send me a signal, a beacon to bring me home

Movin' fast, all systems go, you and I had time to grow
Before there was a breakdown in transmission
How I wish that we could turn the clock back to the days
When we were lovers in the true sense of the meanin'
You must believe me

Ship to shore, do you read me anymore?
This line is bad, I'm drownin'
Ship to shore, answer my call
Send me a signal, a beacon to bring me home

Ship to shore, ship to shore
Ship to shore, ship to shore
Ship to shore, ship to shore

(Ship to shore)
I cannot believe my eyes, but I think I see a light
(Ship to shore, ship to shore)
(Ship to shore, ship to shore, ship to shore)

(Ship to shore)
You are everything I've always wanted in my life
(Ship to shore, ship to shore)
(Ship to shore, ship to shore)
