"So Beautiful"

I'm lying here tonight
Thinking of the days we've had
Wondering if the world
Would be so beautiful

If I had not looked into your eyes
How did you know that I've been waiting?
Never knew the world
Would be so beautiful at all

I'm spending all the days dreaming of the nights we've
had
I never knew that love would be a miracle
When I think of all the ones before
But now that I've found you, I am flying

I never knew that love
Would be so beautiful to me
I never knew that love
Would be so beautiful to me

And then we danced to the rhythm
That is burning like a flame
And when you touch me, I can hardly move
You take my breath away

You give me all that I want to feel when
We become as one and then you take me
To the heaven of your heart, did nobody
Ever tell you you're the best thing that has ever been?

Ahh, ahh, ahh, you are so beautiful
Ahh, ahh, ahh, so beautiful

I'm standing here tonight
Thinking of the times we'll have
I never knew that you
Would be so beautiful

From the day you came into my life
I just want to say, you make me happy
Never knew that you

Would be so beautiful to me

I never knew that you
Would be so beautiful to me

So beautiful to me
So beautiful to me
So beautiful to me, to me

I'm lying here tonight
I'm dreaming here tonight
I dance with you tonight
