Sit together on the sofa  
With the music way down low  
Waiting so long for this moment  
It's hard to think it's really so  
The door is locked, there's no one home  
They've all gone out we're all alone

Suzana suzana  
Suzana i'm crazy in loving you

I put my arms around her shoulders  
Run my fingers through her hair  
It's a dream, i can't beleive it  
It took so long it's only fair

And then the phone begins to ring  
And the strangest voice.. On the other end of the line  
Says "oh, wrong number.. Sorry to waste your time"  
And i think to my self.. Why now?  
Why me?  
Why?!

Suzana suzana  
Suzana i'm crazy in loving you

Then i sit myself beside her  
trying to take her hands in mine  
The moment is gone  
The feeling's over  
She looks around to find the time  
Then she says "could we just sit & chat"  
And i think "well, that's that"

Suzana suzana  
Suzana i'm crazy in loving you

Still we sit there on the sofa  
With the radio on 10  
The magic's gone  
It's a disaster  
There seems no point to start again  
Then she says "i think i'd better go"

She says "goodbye" & i say no

Suzana suzana

Suzana i'm crazy in loving you

I'm so crazy in loving you...
