Talk to me, I need a little advice
I've got you on my mind
Words of passion coming out of the night
You make me feel alive

I'm not one in a million, I'm a million in one
Thinking of ways to your heart
I've got a feeling that it will be your hand
Taking me higher and higher

Talk to me, talk to me, yeah
Talk to me, talk to me
(Talk to me, talk to me)

Look at me 'cause I've been looking at you
I see desire in the night again
Fascination and mysterious touch
I know you feel the same

This is one in a million, it's a million to one
But I will be your lover in time
Go with the feeling that is breaking inside
You will discover it when you

Talk to me, talk to me
Talk to me
(I am the one, yes, I know I am the one)
Talk to me
(I am the one for you now)

I want you beside me
(I want you)
I dream of your body
(I need you)
I see you and me there forever
(You and me)

Talk to me, talk to me, yeah
Talk to me
(I am the one, yes, I know I am the one)
Talk to me
(I am the one for you now)

Yeah, talk to me
(I am the one, yes, I know I am the one)
Talk to me
(I am the one for you now)

Talk to me
(I am the one, yes, I know I am the one)
Talk to me
(I am the one for you now)
Why don' t you talk to me?

(I am the one, yes, I know I am the one)
Talk to me, yeah, yeah, yeah
(I am the one for you now)
Talk to me, yeah, yeah, yeah
(I am the one, yes, I know I am the one)
Talk to me, yeah, yeah, yeah

(I am the one for you now)
Talk to me, yeah, yeah, yeah
(I am the one, yes, I know I am the one)
Talk to me, yeah, yeah, yeah
(I am the one for you now)
Talk to me, yeah, yeah, yeah

(I am the one, yes, I know I am the one)
Talk to me, yeah, yeah, yeah
(I am the one for you now)
Talk to me, yeah, yeah, yeah
