I've never seen you looking so lovely as you did tonight  
I've never seen you shine so bright  
I've never seen so many men ask you if you wanted to  
dance  
They're looking for a little romance, given half a  
chance  
I have never seen that dress you're wearing  
Or the highlights in your hair that catch your eyes I  
have been blind

(Chorus)

The lady in red is dancing with me cheek to cheek  
There's nobody here, it's just you and me, It's where I  
wanna be  
But I hardly know this beauty by my side  
I'll never for get, the way you look tonight

I've never seen you looking so gorgeous as you did  
tonight  
I've never seen you shine so bright you were amazing  
I've never seen so many people want to be there by  
your side  
And when you turned to me and smiled, It took my  
breath away  
I have never had such a feeling  
Such a feeling of complete and utter love, as I do  
tonight

(Chorus)

The lady in red is dancing with me cheek to cheek  
There's nobody here, it's just you and me, It's where I  
wanna be  
But I hardly know this beauty by my side  
I'll never for get, the way you look tonight  
I never will forget, the way you look tonight  
The lady in red  
The lady in red  
The lady in red  
My lady in red (I love you)
