The long and winding road that leads to your door  
Will never disappear, I've seen that road before  
It always leads me here, lead me to your door

The wild and windy night that the rain washed away  
Has left a pool of tears crying for the day  
Why leave me standing here, let me know the way

Many times I've been alone and many times I've cried  
Anyway you'll never know the many ways I've tried

But still they lead me back to the long, winding road  
You left me standing here a long, long time ago  
Don't leave me waiting here, lead me to you door

But still they lead me back to the long, winding road  
You left me standing here a long, long time ago  
Don't keep me waiting here, lead me to you door
