Brother, can you spare me food
And give me a drink of wine?
I've been traveling on this road
For such a long, long time

I have seen the wonders
But most amazing of them all
I believe I've seen the face
Of the risen Lord

On a night like this there came
A stranger on the road
I saw him stumble, heard him fall
I helped him with his load

The further that we walked
Well, the heavier it became
And I believe I've felt the weight
From another world, oh, oh, oh, oh
