Una mesa para dos
Vino tinto de la casa
Esta noche vaya con amor

This is the place to be
On a night like this
The moon is shining on the silver sea
Where lovers kiss

So many times it was you and me
Oh, it's good to be here again
It brings back the memories
Of what you mean to me

This is the way to be
On a night so fine
Everybody's on the Walking Street
With Spanish wine

And then we call into that little place
Where we had those long romantic nights
Drink to the memories
What you mean to me

And it has been such a long old road
To where we are today
And just like all the rest
There is a price we must pay

But we've been through all the bad times
And we've seen off all the sad times
And here we are
Stronger than yesterday

So let's go back to our favourite place
For another long romantic night
Drink to these memories
And what you mean to me

Mas la Plana de Barcelona
Y Rioja, Vega Sicilia
Dos botellas por favor

So here we are in that little place
For another long romantic night
Let's drink to memories
And what you mean to me

Here's to the memories
And what you mean to me

Una mesa para dos
Y Rioja, Vega Sicilia
Dos botellas, vaya con amor
