There is something on my mind,
and I'm losing concentration
And I feel it every time,
that you are near me.
I could tell you all about,
your picture at my bedside,
I should call you sometime,
and talk it over.

'Cos I get a kick inside,
and I feel a tingle too,
It just comes from time to time,
And it only happens,

When I think of You, sleeping,
when I'm dreaming, when I wake up, when I think of
you,
walking, when I'm talking, when I look up,
when I think of You,

take me away to a land of mass confusion,
And I don't know what to say,
when I am near you, I could stand here all day long,
just staring at your window,
But I have so much to do, that's so important,
Then I get a kick inside, and I feel a tingle too,
It just comes from time to time,
And it only happens, When I think of You,

sleeping, when I'm dreaming, when I wake up,
When I think of you, walking,
when I'm talking, when I look up, when I think of

You may get the feeling that I'm dancing on the ceiling,
When I get a kick inside, and my head is spinning too,
It just comes from time to time, And it only happens

When I think of You, sleeping,
when I'm dreaming, when I wake up, When I think of
you,
when I whisper to your picture, when I kiss it, when I

think of you

When I think of you, when I'm dreaming we're together,
on my sofa,
When I think of you, when I'm wishing that we're
kissing, when we're dancing,
When I think of you.
