There is something on my mind
And I'm losing concentration
And I feel it every time
That you are near me

I could tell you all about
Your picture at my bedside
I should call you sometime
And talk it over

'Cos I get a kick inside
And I feel a tingle too
It just comes from time to time
And it only happens when I think of you

Sleeping, when I'm dreaming
When I wake up, when I think of you
Walking, when I'm talking
When I look up, when I think of you

Take me away
To a land of mass confusion
And I don't know what to say
When I am near you

I could stand here all day long
Just staring at your window
But I have so much to do
That's so important

Then I get a kick inside
And I feel a tingle too
It just comes from time to time
And it only happens when I think of you

Sleeping, when I'm dreaming
When I wake up, when I think of you
Walking, when I'm talking
When I look up, when I think of you

May get the feeling
That I'm dancing on the ceiling

When I get a kick inside
And my head is spinning too
It just comes from time to time
And it only happens when I think of you

Sleeping, when I'm dreaming
When I wake up, when I think of you
When I whisper to your picture
When I kiss it, when I think of you
When I think of you

When I'm dreaming we're together
On my sofa, when I think of you
When I'm wishing that we're kissing
When we're dancing, when I think of you
