Visit "[20 Questions](#)" on MotoLyrics.com

Ey quasimoto, man! (quasimoto)  
Get off my back with the 20 questions, man  
There go madlib the bad kid right over there from the  
lootpack (yes)  
Right over there, man, ask him, man, ask him

"where are y'all from? "  
We from the west o-x to be exact  
Lyric arrest your pack with flows to drop your order  
format  
"but what y'all on? "  
Even though we flex until the exit  
On living daily, but that soundpiece always be some  
next shit  
"are y'all original? "  
We stay original while your subliminal lines and  
minimal perception  
Poetical enemas for your section  
"i bet y'all money hungry"  
We dig in crates to get them papes  
"what, word"  
We droppin beats to clock ends meet  
"now not only for the money"  
We're not only for them ends because if I wasn't gettin'  
paid  
I'd still be dropping beats until my grave  
"so who you down with? "  
I'm down with the wild child, dj romes, ono and god's  
gift  
"oh, yeah"  
Kazi, declaime, medaphoar, shock got the spliff  
(shock)  
Dj twist, can kick, peace to roc c., yeah  
Nikko, where my nigga lali  
Like when I'm rushin' loops with e-swift (yeah)  
Going out of town with the likes, end up in a-t  
L-double-o-t-p-a-c-k, represent how I live every day
