Cast to my death in flames  
But I will never die  
Past life is burned away  
Stronger man arise

I am shadow, I am light  
I'm your world to be  
I am angel, I'm your hell  
I am me

Oh, so it seems like this world always changes  
But I know what's coming for me  
I see with open eyes  
How things should be

[Chorus:]  
She'd the skin of yesterday  
My legacy begins again today  
Live the dream that drives me on  
My destiny, tomorrow will belong to me

I leave the blackness, walk into the shining light  
Reach out for my dreams...

[Solos: LT]

Ascend from my trial by fire  
Branded and torn  
I wear my symbol proudly  
Carved into my flesh  
I walk the world  
A free man

[Solos: LT]

My path now set in stone  
As written so shall be  
Rise up to claim the throne  
Fulfill my destiny

I am angel, I am sin  
I'm your Lord's decree

I am devil, I am light  
I am me

Oh, so it seems like this world always changes  
But I know what's coming for me  
I see with open eyes  
How things should be

[Chorus x2]
