And when the daylight falls to grey  
When even twilight fades  
In the darkest veil of night  
We stray

It seems this road will never end  
Watch our trust decay  
As sacred memories turn to dust  
And drift away

Can you hear me now?  
Hear me calling you?  
Can you see my eyes?  
These tears that fall for you

You know you've always been a friend  
Through even lightless days  
Sometimes we don't see eye to eye  
Times change

But can you hear me now?  
Hear me calling you?  
So look in my eyes  
Believe my words to you are true

[Chorus:]  
Oh, I'll never turn my back on you  
To go my own way  
You'll never walk alone  
To face the darkness  
Oh, for all the pain that we've been through  
Together  
And you'll always have a home  
Deep inside my heart

So many years have passed us by  
A chance to start again  
And hope that time will heal these wounds  
Someday

So can you hear me now?  
Hear me calling you?

So look in my eyes  
Believe my words to you are true

[Chorus]

[Solos: LT]
