Life is circles... lead to you  
Wild journey with no return  
Five fingers are not enough  
To cope it with a smile.  
Glance the dark in me  
Just one single color... black  
Like my past... like my love  
An everlasting nightmare  
So blind to see my present  
So sad to make a smile  
So mad to look ahead  
So damned to going on...  
The smell of the past  
Caves my bleeding lungs  
To smile is to forget  
And to forget is to die
