Behold the sign
The burning star is falling
Behold the sign
Impending chaos await
Behold the sign
Darkness shall veil the earth
Behold the sign
Of Antichrist reborn

Reborn through the chaos of the world within blazing
inferno
Falling stars, fading sun, shriveled rivers and failing
soil

Desperate human thoughts and depression cover the
world in darkness
Kneeling and crying for their lives, on their knees they
all shall die
Antichrist reborn, of sorrow and chaos the black force
feed
Utter obscurity and malicious deeds awaits those who
oppose

Antichrist reborn

Behold the sign
The burning star is falling
Behold the sign
Impending chaos await
Behold the sign
Darkness shall veil the earth
Behold the sign -- of Antichrist reborn

Reborn through the chaos of the world within blazing
inferno
Falling stars, fading sun, shriveled rivers and failing
soil

Antichrist reborn
