In the deepest forests in the shades of grey.
Beyond fear. Lilith-queen of the black light awaits.
She is one of the tyrants, she is one with the
darkness, with a blaze of thorns, she will demand your
soul.
Behind the dark side of the mirror, in another
dimension, when the black sun is awakening;
Lilith-queen of the black light awaits.
She is one of the tyrants, she is one with the
darkness, with a blaze of thorns, she will demand your
soul.
When the night has come, she sings to me.
Her echoes of silence from the cold mist, surround
me like a sea of fire!
She mesmerizes me with her screams of silence.
She is one of the tyrants, she is one with the
darkness, with a blaze of thorns, she will demand your
soul.
In the deepest forests in the shades of grey.
Beyond fear. Lilith-queen of the black light awaits.
She mesmerizes me with her screams of silence.
