

## Lord Belial "Possessed By Fire"

Burning demonvoid... I enter its fierce realm with pride  
Though burning might caress', there is no light to see

Possessed by fire - my burning lust  
Possessed by fire - my pure desire

Embraced by flames and its raging hate  
Boiling blood now runs through my veins

Possessed by fire - my burning lust  
Possessed by fire - my pure desire

[Solo: Niclas]

Lord of fire, grant me your blessing  
This demonvoid is mine and mine alone  
I shall rule these vast plains supreme  
By flaming hand, by burning lust  
...And by fire!

Possessed by fire - my burning lust  
Possessed by fire - my pure desire

Fire... Burn  
Fire... Burn  
Fire... Burn  
Fire... Burn  
Fire... Burn  
Fire... Burn  
Fire... Burn  
Fire... Possessed by Fire!
